## Certificate of Analysis

| Product Name     | 1-(2-hydroxyethyl)-4-methyl-5-(2-(trifluoromethyl)phenyl)-1H-pyrrole-3-carboxylic acid |                           |                  |
|------------------|--|---------------------------|------------------|
| CAS Registry No. | 1631030-72-2   | Specification No.         | In house         |
| Batch No.        | 非開示情報  | Quantity                  | 200kg            |
| Storage          | In an airtight container, protected from light   | Mfg. Date                 | Oct.25, 2024     |
|                  |  | Rep. Date                 | Feb.07, 2025     |
|                  |  | Exp. Date                 | Oct.25, 2026     |
| Sl. No.          | Items  | Specifications            | Results          |
| 01               | Appearance   | White to off-white powder | Off-white powder |
| 02               | Identification   | <sup>1</sup> H-NMR        | Conforms         |
|                  |  | Mass                      | Conforms         |
| 03               | Related Substances<br>(% Area Normalization<br>By HPLC)                                | Purity: NLT 98.0%         | 99.2%            |
| 04               | Water  | NMT 1.0%                  | 0.4%             |
