## CERTIFICATE OF ANALYSIS

**Chemical Name:** 2-(2-(Trimethoxysilyl)ethyl)pyridine

**Chemical Structure:**

**Batch Number:**

非開示情報

**CAS Registry No.:**

27326-65-4

**Product ID:**

AG007L6O

**Mfg. Date:**

2025-02-15

**Long-term Storage:**

2-8°C

**Formula:**

C<sub>10</sub>H<sub>17</sub>NO<sub>3</sub>Si

**Molecular Weight:**

227.3324

**Quantity:**

非開示情報

### Analysis Data:

| Test:                                        | Specifications             | Result:             |
|----------------------------------------------|----------------------------|---------------------|
| Appearance                                   | Clear liquid               | Light yellow liquid |
| B.P(° C)                                     | 244.9+23.0 ° C at 760 mmHg | Conforms            |
| Assay                                        | 97%                        | 98.20%              |
| Conclusion: Complies to the company standard |                            |                     |
