Certificate of Analysis

We hereby state that following material is in accordance with our specifications.

Product Information

Product	3,4-diacetoxystyrene
CAS Number	57142-64-0
Specification Structure	MF: C ₁₂ H ₁₂ O ₄ MW: 220.22 
Lot No.	非開示情報
Weight	5KG
Analysis Date	2025/06/11

Test results:

Items	Unit	Standard	Analysis Results
Appearance	-	White to off-white solid or colorless transparent liquid	White solid or colorless transparent liquid
Foreign matter	-	Qualified/Unqualified	Qualified
Purity	%	GC≥99.0000	99.2144
Water Content	ppm	<500	376
Residual Solvent	ppm	<1000	538
Notes	Product should be stored at low temperature, dry place, away from direct sunlight.		
Result	The product complies with 非開示情報 ds.
